

ACADEMIC TEAM BUILDING

STEP 1 - TRANSCRIPTS

Have counseling provide transcripts for all athletes by team/sport. An alternate option is to focus only on athletes with the skills and/or desire to play sports in college.

STEP 2 - COMPUTER LAB

Coach/AD takes a team of student-athletes to the computer lab.

STEP 3 - STUDENT ACCOUNT ACTIVATION

Provide the QR Flyer for those activating an account using their phones and/or distribute the MOU, which contains the QR code and the new member activation codes for those activating an account on school computers.

STEP 4 - PROGRAM BENEFITS VIDEO

Play the 10-minute Program Benefits Webinar for your students.

Click Link to Play -> <https://www.youtube.com/watch?v=fj6OJfyp-ME>

STEP 5 - ENTER COURSES & GRADES

Direct students to return to the CoreCourseGPA.com homepage and click on Member Login button on top right corner. Students will then enter their courses and grades. We recommend having a counselor (though not necessary) along with a coach to supervise and answer potential questions.

STEP 6 - TIPS & REMINDERS BY TEXT

Instruct students to join our text service to get tips, advice and important reminders related to NCAA initial-eligibility and recruiting. Students will text "CLASS" + grad year with no spaces (ex. CLASS2024, CLASS2025) to (833) 267-3472.

TIMING

Carry out this Action Plan shortly after reports cards are provided each semester. Plan for 30 minutes the first time through in order to play the Program Benefits Webinar. After that, the process should only take about 10-15 minutes per team.
